FISH WEIGHT COMPETITIONS

If you are a member and “have caught the big one” have it weighed! The club has competitions running throughout the year. To enter the competitions, weigh tickets must be presented to the Weigh master.

Our major competition is for the **Heaviest** Fish. The weight of the heaviest fish in a nominated list of species is recorded for the period from 1 July to 30 June. There are four categories in this competition: Men, Ladies, Boys and Girls. The angler who catches the heaviest fish in a species in each category during the year receives a trophy at our presentation night.

The angler from any category who catches the largest number of heaviest fish is awarded the **club champion** trophy.

Also form within this competition, one fish is selected by the committee in each of the categories (Men, Ladies, Boys and Girls) each year for the **Most Meritorious Fish** award.

The second competition is our **Fish of the Month** competition. This competition has three categories, Men, Ladies and Juniors. At the beginning of the year, a nominated species of fish is chosen for each month as the fish of the Month. The list is published in the Newsletter and on the Website. In any month, the angler submitting a weigh ticket for the heaviest nominated fish in a category is awarded a cash prize.

The angler with the heaviest fish is also awarded 3 points, the angler with the next heaviest fish receives 2 points, and all angles submitting a weigh ticket for the species of the month receive 1 point. Points are tallied throughout the year and an All Rounder Award is presented to the angler scoring the highest number of points by the end of the year, for Seniors (from Men and Ladies) and for Juniors (from Boys and Girls).

EAFC weigh stations include:

- Eden Amateur Fishing club Inc. clubhouse at Quarantine Bay, Eden
- Eden Outdoor and Marine – in the main shopping centre in Eden
- Matildas shop n Go – at the top of the hill as you head south out of Eden.
- Kiah General Store – on the highway 12 minutes’ drive south of Eden.
- Wonboyn General Store – 33kms south of Eden in the beautiful village of Wonboyn.
- Shell Bait & Fuel Service Station- Betka Road, Mallacoota, Victoria
- Alpine Angler – Snowy Mountains Highway, Cooma
- Bermagui Bait & Tackle – Bermagui
- Top lake Boat Hire – Lakewood Drive, Merimbula

It is the responsibility of every angler to make sure their fish receipt is correct when weigh in occurs.

All weigh dockets are valid for two months only.

PRESIDENTS REPORT JULY 2016

Hi all,

It was cool out but despite a few no show's a good group turned up for our popular roast night. Among those absent was our head caterer who was unwell, and crook she must have been not to turn up to oversee goings on in her kitchen. She has trained her helpers well though as they turned out another magnificent meal, a big thank you to them and also to Murray who cooked the chooks and the lamb. Bobnalong overcooked the pork! To cap it off we were treated to another magnificent array of sweets thank you all who contributed

Fish of the month results: As expected the presentation was brief with no junior or lady claiming to have caught a Leatherjacket and only one gent raised his hand in that section. Predictably this was Gordon Rugg who is no doubt the best Leatherjacket fisherman in the club, probably the only one to target them specifically. An added bonus on a recent outing was the by catch of a decent Drummer which clinched the club championship for him for this year.

July fish of the month Drummer: This is the target fish this month and there is some excellent sport to be had for those with the motivation to have a crack at Drummer fishing.

August fish of the month Morwong: Definitely one for the boaties although occasionally caught from the rocks. Plenty of them out there on the reefs north and south, best around the edges and are often picked up while drifting for Flatties. Anyone can catch one!

launching ramp pontoon: This is a council asset and Ken Neath has been driving a push to hurry the repair process along with some success. Work has commenced but an attempt to right the leaning pole on July 7th failed and it now seems to be back to the drawing board. It is expected to be in use by the end of the month but the latest setback could see that change. In the meantime the old jetty is being used with care.

Annual General Meeting: This will happen on Saturday July 30th, the meeting will commence at 4:00 pm and hopefully end at 6:00. A meal of hot dishes will follow with the presentation session to get under way at 7:30. Please let us know if you will be attending for the meal and if you are able bring along a casserole or hot dish of some sort or perhaps a desert. We would also like to know if you will only be attending the meeting.

Annual awards: Check out the fish weights sheet and if your name is there, you have a trophy to pick at the presentation. Gordon Rugg has taken out the club Championship once more while his wife Jenny was the most successful Lady. Flynn Carson was the best of the boys with young brother Lachlan snapping at his heels. Alanna Paterson got keen and topped a small field of girls. Congratulations to those winners and the many others who did well. Gloria Sebley deserves special mention, she came within one fish of the club championship. Watch out fellas!

Please advise Bob immediately if you see any errors in the fish weights sheet

Committee elections: The final action of the AGM will be to put in place a Committee to run the club for the next 12 month term. All positions will be declared vacant prior to the election and the list of current members not seeking re-election is growing. There will plenty of room for new faces around the table next year. We desperately need a secretary, we don't have anyone to carry out these duties at the AGM as yet. Other vacancies include that of Treasurer, at least one vice president probably a couple of general committee positions, newsletter editor and sponsorship co-ordinator. This is a worrying position to be in, we have a fine clubhouse, we are in a sound position financially and we have the 2017 competition to organize. We need a strong committee to carry on. Page 8 is a committee nomination form think about it please! . Nominations should reach the secretary (as we don't currently have one the president) 7 days prior to the AGM. If insufficient nominations are received they will be taken on the night of the meeting.

Membership renewals: These are due now and there are still quite a few outstanding as usual at this stage Don't forget that if you wish to participate in decision making at the AGM then you must be a financial member.

Fishing report: Not a lot of reports coming in but it seems the fishing has picked up a little. It's mainly flathead seen on the cleaning tables with a few Snapper and Morwong. The rivers are still quiet after the rain but there could be some action down near the estuary entrances with ocean temperatures still relatively warm.

And so we come to closing the last report for the 2015/2016 term. It has been another good one for us and on behalf of the committee I thank you very much for your participation. Attendance to functions was excellent until March, as was the level of volunteer assistance for the competition. Since then numbers have dropped off a bit so we hope to see that improve as the weather warms and the fishing comes good. We need an injection of younger members to carry the club into the future so if you know someone that you may be able to recruit grab them and snig them along to function.

Enjoy your fishing, hope to see you sometime soon.
