FISH WEIGHT COMPETITIONS

If you are a member and “have caught the big one” have it weighed! The club has competitions running throughout the year. To enter the competitions, weigh tickets must be presented to the Weigh master.

Our major competition is for the **Heaviest** Fish. The weight of the heaviest fish in a nominated list of species is recorded for the period from 1 July to 30 June. There are four categories in this competition: Men, Ladies, Boys and Girls. The angler who catches the heaviest fish in a species in each category during the year receives a trophy at our presentation night.

The angler from any category who catches the largest number of heaviest fish is awarded the **club champion** trophy.

Also from within this competition, one fish is selected by the committee in each of the categories (Men, Ladies, Boys and Girls) each year for the **Most Meritorious Fish** award.

The second competition is our **Fish of the Month** competition. This competition has three categories, Men, Ladies and Juniors. At the beginning of the year, a nominated species of fish is chosen for each month as the fish of the Month. The list is published in the Newsletter and on the Website. In any month, the angler submitting a weigh ticket for the heaviest nominated fish in a category is awarded a cash prize.

The angler with the heaviest fish is also awarded 3 points, the angler with the next heaviest fish receives 2 points, and all anglers submitting a weigh ticket for the species of the month receive 1 point. Points are tallied throughout the year and an All Rounder Award is presented to the angler scoring the highest number of points by the end of the year, for Seniors (from Men and Ladies) and for Juniors (from Boys and Girls).

EAFC weigh stations include:

- Eden Amateur Fishing club Inc. clubhouse at Quarantine Bay, Eden
- Eden Outdoor and Marine – in the main shopping centre in Eden
- Matildas shop n Go – at the top of the hill as you head south out of Eden.
- Kiah General Store – on the highway 12 minutes’ drive south of Eden.
- Wonboyn General Store – 33kms south of Eden in the beautiful village of Wonboyn.
- Shell Bait & Fuel Service Station- Betka Road, Mallacoota, Victoria
- Alpine Angler – Snowy Mountains Highway, Cooma
- Bermagui Bait & Tackle – Bermagui
- Top lake Boat Hire – Lakewood Drive, Merimbula

It is the responsibility of every angler to make sure their fish receipt is correct when weigh in occurs.

All weigh dockets are valid for two months only.

PRESIDENTS REPORT JUNE 2016

Hi all,

Winter turned up a few days early for our May BBQ but that is probably not why only 20 members came out. Some are wintering in the north, a couple in Fiji and some may be going into hibernation for the cold months.

Fish of the month results: Warm favourite Terry Carson caught the best Snapper for the month, Bobnalong ran 2nd. Jenny Rugg was a close 3rd and winner of the ladies FOTM section. Next was Deb Cummings then Gordon Rugg, Louise Cochrane and Ron Cummings. The rest didn't trouble the scorer.

June fish of the month: Yes it's "LEATHERJACKET", but don't all start swearing in disgust, this is one for the rock hoppers or those who are prepared to anchor up in close to the rocks under suitable conditions to fish for the big blue and gold six spined variety. Plenty of burley and Squid bait is the way to go, Cunjevoi also works well. Good eating and good fun. We won't say any more about the other little stinkers that are apparently about at present.

July fish of the month Drummer: This is another one for the rock hoppers and it can be done from a boat but the need to get right in close makes it a tricky proposition. They provide an adrenalin rush though, a dogged fighter and very nice table fare, probably under rated.

Roast night: This takes place on June 26th starting at 5:30 and the meal will consist of roasted Pork, Lamb, chooks and veges followed by sweets. Please advise Gwen by Wednesday 22nd if you will be coming along and if you can bring a sweet. Due to the high cost of meat a cover charge of \$10 will apply to adults only.

AGM & presentation night: This will happen on Saturday July 30th, see page five for a broad agenda that will be confirmed in the July newsletter.

Notice of motions for AGM: These should set out the full details of the proposed motion and should reach the Secretary by June 30th to allow time for members to be notified via the July newsletter. See page five for notifications to date.

Committee elections: The final action of the AGM will be to put in place a Committee to run the club for the next 12 month term. While all positions will be declared vacant prior to the election, at the moment we are without a secretary and the current Treasurer has indicated that she will not seek re-election. These essential positions must be filled for the club to continue operating. There may be other sitting committee members not intending to stand again and the positions of Newsletter Editor and Sponsorship Co-ordinator were not taken up in the current term. This has seen some committee members wearing multiple caps and unable to devote the time necessary to do some jobs well and this makes them cranky. The situation is becoming serious !! For any enquiries about committee positions call Bob 02 64963585.

THE AFTERMATH OF THE BIG STORM.

Spectators swarmed to Quarantine Bay early last week to view the huge sea rolling in and the damage caused by the surge as the massive waves combined with king tides during the night.

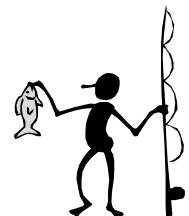

As can be seen the pontoon is out of action and the old jetty severely knocked about. It is now useable with care, after temporary repairs have been made but it could be some time before the pontoon is back in use

Membership renewals: These are due and payable by June 30th, a form is included in this newsletter, if you have already rejoined please disregard this. If you receive your letter by Email and have not yet renewed you may receive a hardcopy this month including a renewal form in case you do not have a printer.

Loss of a Member : It is with sadness that I report the loss of one of our longest serving members Don Hayne. Don passed away on May 26th after a relatively short illness. Don and Wilma have been members since the very early days of the club and regularly travelled from Cootamundra to attend functions and help out with March comp. Despite Don being unwell he did his bit in March this year. Wilma has vowed that we have not seen the last of her yet.

Fishing report: For obvious reasons there is not much to report. The high level of flooding may affect estuary fishing for some time, except around the entrances and nearby beaches where there could be good action as the waters clear. It should be the same outside where the water will clear a bit quicker. With the full moon about now it could be a very good time to venture out if you can manage the current situation with the launching ramp.

Get out there and enjoy it, see you at the Roast Night.

BOBNALONG

The two boats aground on the beach have been removed and apparently both written off. A couple of others are said to be missing believed sunken somewhere nearby.

Full results of the Snapper contest.

- 1-1 Terry Carson - Always expected to go close and won with a 2.90kg fish.
- 4-1 Bobnalong - Not as good as he thought he was, ran 2nd a long way back with 1.798kg
- 7-1 Jenny Rugg - showed Gordon how to do it, was 3rd with 1.600 kg
- 9-2 Deb Cummings : Not far off the money with 1.370 kg . Got Ronnie again !
- 7-1 Gordon Rugg - Snapper not his forte but managed 5th with 1.36 kg
- 10-1 Louise Cochrane - Surprized by running 6th with a nice fish of 1.075 kg, well done.
- 5 -1 Ron cummings - Ran 7th won` t mention the size.

Although heavily favoured to do well, THE FOX didn't fire and the scorer didn't hear from the rest of you either.

AGENDA FOR THE AGM

4:00 pm commence the AGM - 6:00 pm wind up the meeting

6:00pm - 7:30, socialising and meal.

7:30pm - commence the annual presentation session.

Notified discussion points :

It has been requested that we consider a photograph of an entry form taken on a mobile phone as proof of entry of our March competition.

This to be accepted as proof when presented to claim a prize and could help avoid a situation as happened with the boat at our last comp.

Tuross Head Trip: Due to a lack of expressions of interest we are not organizing a Tuross Head trip at this time of the year but may look at it for the Spring.
